

REMARKS

Applicants and Applicants' representative wish to thank the Examiner for his telephone conversations with Applicants' representative in order to advance prosecution of the application.

Pursuant to telephone conversations between Examiner Amini and Applicants Representative, Marlene Klein, Applicants have amended Claim 1 to change "range of image data" to "range of images."

Applicants respectfully submit that all of the claims pending in the application meet the requirements for patentability and respectfully requests that the Examiner indicate the allowance of such claims.

Any amendments to the claims which have been made in this response which have not been specifically noted to overcome a rejection based upon prior art, should be considered to have been made for a purpose unrelated to patentability, and no estoppel should be deemed to attach thereto.

If any additional fee is required, please charge Deposit Account Number 502456.

Should the Examiner have any questions, the Examiner may contact Applicants' representative at the telephone number below.

Respectfully submitted,
